

Corporate Safety Policy

Statement of Commitment

Brookwood Camps and Catering (Alberta 739357 Ltd) is committed to planning and providing a safe work environment for their employees, customers, and the general public present at our work sites.

Safety is part of every job and is a responsibility for everyone working at Brookwood. This included safety and the protection of property on the job in accordance and compliance with company practice, industry standards and government regulations; which may include WCB Regulations, Camp Standards, Occupational Health and Safety Regulations, Public Health Acts, Work Camp Regulations, Nuisance and General Sanitation Regulations, et. al.

Management will monitor and refine the Safety Program, lead by example, provide necessary training and equipment, and with the employee input and assistance, ensure development of safe work procedures.

Company supervisors will set the example, report concerns to management, train the employees, and perform regular hazard inspections.

Employees will participate, accept and adopt the principles described in the safety program and work in a safe and responsible manner.

The corporate goal of the safety program is full participation of all employees and a healthy and injury-free work place.
